

City Business Library

Secrets behind highly successful businesses

How to build a dream business map

Friday 14th October 2.00-4.00pm

Francine Beleyi, Chief Transformation Officer and founder of www.nucleusofchange.com, will share top strategies to build a successful business model that is aligned with your highest vision in a seminar fully packed with high content, examples and insightful information.

Past attendees to Francine's seminars describe her events as transformational. If you are serious about transforming your business without stress, this is a must to attend seminar for new and seasoned business owners.
